

WE WOULD LIKE TO CHALLENGE YOUR SCHOOL TO RUN &
RAISE MONEY FOR CHILDREN WITH BRAIN TUMOURS IN THE
ANNA'S HOPE 5K SCHOOLS CHALLENGE
ON OCTOBER 9TH 2016

Dear

Our School want to help children with brain tumours by running and raising funds for Anna's Hope in the Schools Challenge in the Anna's Hope 5K Fun Run in the Perkins Great Eastern Run on October 9th 2016 in Peterborough.

Our school would like to challenge your school to see who can raise the most money for this local children's charity. The winning school will receive an Anna's Hope School Challenge Trophy and every pupil that runs and raises money will receive a certificate.

In addition there are prizes of a TV for the top primary and top secondary school who raise the most money for Anna's Hope and £500 Chroma Sports vouchers to the top fundraising school overall.

We would love to do our best to help children who are diagnosed with the biggest cancer killer of children in the UK. It would therefore be really appreciated by our school and Anna's Hope if your school would accept our challenge.

Every Penny raised will go towards children in this region with a brain tumour

For more information about the Anna's Hope Schools Challenge please visit
<http://www.perkinsgreateasternrun.co.uk/fun-run/anna-s-hope-schools-challenge>

If your school is up for this challenge, then please get back to me and I will let Anna's Hope know we are challenging each other.

Yours Sincerely,
